## The Fast Track

Don't lose track of your dog while it follows prey.

Garmin's GPS collar tracks your dog's path on a hand-held screen. Useful for nite

hunts and other low-light activities, the dog-tracking system can pinpoint up to 10 dogs' locations over a 7-mile range, even in dense grass or cover.

## Something Extra

Dog Lover's Choice Extra Topping adds a nutritional flourish to your dog's everyday diet, according to the company.

Designed to improve your canine's eating habits and health,

Extra Topping contains omega-3 and omega-6 fatty acids to promote a healthy coat; vitamins A, D, and E to prevent cell and tissue damage; and other beneficial ingredients.
